

Mission Statement –

As part of the largest health insurer in the country, Blue Cross Blue Shield of Wisconsin's objective is to improve the health of the people we serve. Blue Cross Blue Shield of Wisconsin provides health security by offering a choice of quality products and services designed to meet the changing expectations of individuals, families and their sponsors throughout a lifelong relationship.

General Information –

Blue Cross Blue Shield of Wisconsin, together with its HMO subsidiary CompcareBlue, operates as the largest health insurance provider in Wisconsin providing customers with unparalleled choice and flexibility in meeting their health plan needs. Product offerings available in the individual, small group, large group, and senior markets include a full range of integrated medical and specialty plans.

CompcareBlue, the oldest, most inclusive HMO in the state, offers a variety of HMO and POS plans to people in 68 counties throughout Wisconsin, including all of southeastern Wisconsin.

Employee Information –

Currently 140+ people are employed for CompcareBlue in the Platteville office

Associates at the Platteville office provide customer service, claims processing and medical review support

Employee benefits include: The ability to take advantage of the work at home program, an extensive 401(k) retirement savings plan, employee stock purchase plan, employee assistance and work/life program, and tuition assistance, to name a few.

“We are committed to providing affordable, quality products and services that are designed to help Wisconsin residents manage their health and take control of their financial future. ”

-Debra Allen
