

FIRST SUPPLY

The Midwest's Premier Distributor Since 1897

Welcome to First Supply LLC

First Supply LLC, the Midwest's premier wholesale distributor since 1897, is a leading main channel distributor. We provide industrial customers and building contractors with an extensive line of products and services. First Supply® features manufacturer product lines in the plumbing, heating, air conditioning, builder, waterworks, pump/well & septic and industrial markets. Made up of 27 operating facilities in Wisconsin, Minnesota, Illinois and Iowa. Our Platteville operation was opened in 2007 and is ready to service your needs.

The mission of First Supply is to provide our customers with quality products and services in a timely, accurate and cost effective manner, while generating a fair return to our shareholders. We will accomplish this by: providing creative solutions to customers needs; by employing skilled, motivated, and conscientious people having a total commitment to continuous improvement; and developing and maintaining strong supplier relationships.
