## Chancellor Shields Visits Industrial Park

Chancellor Dennis Shields visited Platteville's Industrial Park on Wednesday, October 27. He toured Avista, First Capitol, Platteville Business Incubator and Mil-3.

“With the expected growth of the University, the Platteville community should also grow. The University and PAIDC can continue to attract businesses to the industrial park and the City of Platteville. There are great opportunities here for UW-Platteville graduates and it's great to see successful alumni too,” he commented.
